Form ADV Part 2A – Firm Brochure

(253) 257-1837

Dated March 1, 2021

<http://www.seamfi.com>

This Brochure provides information about the qualifications and business practices of SEAMFI, LLC., “SEAMFI”. If you have any questions about the contents of this Brochure, please contact us at (253) 257-1837. The information in this Brochure has not been approved or verified by the United States Securities and Exchange Commission or by any state securities authority.

SEAMFI, LLC. is registered as an Investment Adviser with the State of Washington and California. Registration of an Investment Adviser does not imply any level of skill or training.

Additional information about SEAMFI is available on the SEC’s website at www.adviserinfo.sec.gov which can be found using the firm’s identification number 299333.

Item 2: Material Changes

There are no material changes since the most recent filing of Form ADV Part 2, dated January 8th, 2021.

Future Changes

From time to time, we may amend this Disclosure Brochure to reflect changes in our business practices, changes in regulations and routine annual updates as required by the securities regulators. This complete Disclosure Brochure or a Summary of Material Changes shall be provided to each Client annually and if a material change occurs in the business practices of SEAMFI, LLC.

At any time, you may view the current Disclosure Brochure on-line at the SEC's Investment Adviser Public Disclosure website at <http://www.adviserinfo.sec.gov> by searching for our firm name or by our CRD number 299333.

You may also request a copy of this Disclosure Brochure at any time, by contacting us at (253) 257-1837.

Item 4: Advisory Business

Description of Advisory Firm

SEAMFI, LLC. is registered as an Investment Adviser with the States of Washington and California. We were originally registered in 2019 in the state of our principal place of business, which is Washington, and we became registered in California in 2021. Mee-Kyong “MK” Lee is the principal owner of SEAMFI. Because SEAMFI does not provide investment management services, it reports no discretionary or non-discretionary Assets Under Management.

Types of Advisory Services

Investment Management Services

SEAMFI does not directly manage client assets.

Comprehensive Financial Planning and Coaching Services

We provide comprehensive financial planning and coaching services on topics such as retirement planning, risk management, college savings, cash flow, debt management, employee benefits and equity compensation, estate and incapacity planning, and other general topics covered in life and career coaching services. Our comprehensive financial planning services are offered in 3 phases.

Phase 1: Ready for Action

With the “Ready for Action” service, clients will work one-on-one with a planner who will help clients develop a financial plan. Clients then will have the option to work with a planner who will assist clients with implementing the financial plan through coaching and education. Upon desiring a comprehensive plan, a client will be taken through establishing their goals and values around money. They will be required to provide information to help complete the following areas of analysis: net worth, cash flow, insurance, credit scores/reports, employee benefit, retirement planning, insurance, investments, college planning and estate planning. Once the client's information is reviewed, their plan will be built and analyzed, and then the findings, analysis and potential changes to their current situation will be reviewed with the client. Clients subscribing to this service will receive a written or an electronic report, providing the client with an overview of their current financial condition and a detailed financial plan designed to achieve his or her stated financial goals and objectives. If the client opts out of the “Phase 2: Build and Achieve” services, no follow-up advice is provided after the final meeting. In such cases, clients are solely responsible for implementing any recommendations made by SEAMFI. Clients are not obligated to implement any recommendations through SEAMFI.

Phase 2: Build and Achieve

Clients who utilize the “Build and Achieve” service will work with a planner on an hourly basis for regular monthly check-ins after the Phase 1 financial plan has been established. During the monthly

meetings, SEAMFI and the client will establish monthly implementation goals. The planner and the client would meet 1-2 times each month for education, guidance, and coaching. The financial plan and the clients' financial situation and goals will be monitored throughout the term of the engagement. Follow-up phone calls and emails will be made to the client to confirm that any agreed upon action steps have been carried out. In addition to scheduled meetings, additional email and/or phone consultations are included at no extra charge.

Phase 3: Reflect and Review

The "Reflect and Review" services are for clients who wish to continue the engagement after the clients have completed the Phase 1 service. Phase 3 will be conducted on a project-basis with an estimated number of hours provided to the client prior to the commencement of the project.

******SEAMFI does not manage investments on our clients' behalf. We offer portfolio analysis, recommendations, and step-by-step guidance to ensure that your investments are aligned with your short- and long-term needs******

Quick Guidance Service (Hourly)

This service is offered to clients who choose to work on one to three financial planning and coaching topics mentioned above and thus this offering is limited in scope. Clients purchasing this service will receive a written or an electronic report on the research and analysis results along with suggested next steps in relation to the stated financial goals. No follow-up advice is provided after the final meeting. Clients are solely responsible for implementing any recommendations made by SEAMFI. Clients are not obligated to implement any recommendations through SEAMFI.

Client Tailored Services and Client Imposed Restrictions

We offer the same suite of services to all of our clients. However, specific client financial plans and their implementation are dependent upon each client's current situation (income, tax levels, and risk tolerance levels) which will be assessed to construct a client specific plan to aid in the selection of a portfolio that matches restrictions, needs, and targets.

Wrap Fee Programs

We do not participate in wrap fee programs.

For California Residents Only:

CCR Section 260.235.2 Disclosure

For clients who receive our Financial Planning services, we must state when a conflict exists between the interests of our firm and the interests of our client. The client is under no obligation to act upon our

recommendations. If the client elects to act on any of the recommendations, the client is under no obligation to effect the transaction through our firm.

Item 5: Fees and Compensation

Please note, unless a client has received the firm's disclosure brochure at least 48 hours prior to signing the Financial Planning contract, the Financial Planning contract may be terminated by the client within five (5) business days of signing the contract without incurring any advisory fees and without penalty. How we are paid depends on the type of advisory service we are performing. Please review the fee and compensation information below. For all advisory fees, the investment adviser will provide advisory clients with written billing information which must contain the fee(s), the formula used to calculate the fee(s), and the time period covered by the fee(s). This written billing information will be delivered to the client each time the investment adviser charges a fee.

Comprehensive Financial Planning and Coaching Fee

Phase 1: Ready for Action

Fees for the "Phase 1: Ready for Action" service are negotiable, and will range between \$2,400 and \$6,000 depending on the complexity and needs of the client. This fee is based on the estimated hours of work required at the hourly fee of \$300 per hour and would be paid upfront. Phase 1 services would usually last 2-5 months and it would not take longer than 6 months. SEAMFI will not bill an amount above \$500 more than 6 months in advance. Fees for this service may be paid by electronic funds transfer. The client will be provided with their own secure portal in order to make payments. This service may be terminated with 30 days' notice. Any unearned fees will be refunded upon termination.

Phase 2: Build and Achieve

Fees for the "Phase 2: Build and Achieve" service are negotiable, and are paid monthly, in arrears, at the rate of \$300 to \$900 per month, depending on the complexity and needs of the client. This fee is based on the number of hours worked at a fee of \$300 per hour. Phase 2 services will typically last no more than 12 month. SEAMFI will provide an invoice along with the current hourly rate and the number of hours worked for each financial planning session provided. SEAMFI will not bill an amount above \$500 more than 6 months in advance. Fees for this service may be paid by electronic funds transfer. The client will be provided with their own secure portal in order to make payments. This service may be terminated with 30 days' notice.

Phase 3: Reflect and Review

Fees for the "Phase 3: Reflect and Review" service will be offered on an hourly basis billed in 30-minute increments, with a minimum of 3 hours, and is negotiable based on the client's needs and complexity. This fee is based on the number of hours worked at a fee of \$300 per hour and would be paid upfront. SEAMFI will not bill an amount above \$500 more than 6 months in advance. Fees for this service may be paid by electronic funds transfer. The client will be provided with their own secure portal in order to make payments. This service may be terminated with 30 days' notice. Any unearned fees will be refunded upon termination.

Quick Guidance Service Fee (Hourly)

Quick Guidance service is offered on an hourly basis for projects that are limited in scope. The fee is \$300 per hour billed in 30-minute increments, with a minimum of 4 hours, and is negotiable based on the client's needs and complexity. Fee is due at the beginning of the process, however, SEAMFI will not bill an amount above \$500.00 more than 6 months in advance. Fees for this service may be paid by electronic funds transfer. In the event of early termination by client, the unearned portion of the upfront fee will be prorated based on the amount of work completed at the hourly rate of \$300 and refunded to the client. Any completed work in which the adviser has already been paid for will be provided to the client upon termination. Quick Guidance Service (Hourly) may be provided pro-bono at SEAMFI's discretion.

Other Types of Fees and Expenses

When implementing an investment recommendation, the client may incur additional fees such as brokerage commissions, transaction fees, and other related costs and expenses. Clients may incur certain charges imposed by broker-dealers, and other third parties such as custodial fees, deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. Mutual fund and exchange traded funds also charge internal management fees, which are disclosed in a fund's prospectus. Such charges, fees, and commissions are exclusive of and in addition to our fee, and we shall not receive any portion of these commissions, fees, and costs.

Clients have the option to purchase investment products that we recommend through other brokers or agents that are not affiliated with SEAMFI.

Item 12 further describes the factors that we consider in selecting or recommending broker-dealers for client's transactions and determining the reasonableness of their compensation (e.g., commissions).

We do not accept compensation for the sale of securities or other investment products including asset-based sales charges or service fees from the sale of mutual funds.

For California Residents Only:

CCR Section 260.238(j) Disclosure

Please note, lower fees for comparable services may be available from other sources.

Item 6: Performance-Based Fees and Side-By-Side Management

We do not offer performance-based fees and do not engage in side-by-side management.

Item 7: Types of Clients

We provide financial planning services to individuals, high net-worth individuals, and corporations or other businesses.

We do not have a minimum account size requirement, however we do have minimum hours requirements for financial planning services. Please see Item 5 above for minimum hour requirements.

Item 8: Methods of Analysis, Investment Strategies and Risk of Loss

When clients have us complete an Investment Analysis (described in Item 4 of this brochure) as part of their financial plan, our primary method of investment analysis is passive investing.

Passive Investment Management

We primarily practice passive investment management. Passive investing involves building portfolios that are comprised of various distinct asset classes. The asset classes are weighted in a manner to achieve the desired relationship between correlation, risk, and return. Funds that passively capture the returns of the desired asset classes are placed in the portfolio. The funds that are used to build passive portfolios are typically index mutual funds or exchange traded funds.

Passive investment management is characterized by low portfolio expenses (i.e. the funds inside the portfolio have low internal costs), minimal trading costs (due to infrequent trading activity), and relative tax efficiency (because the funds inside the portfolio are tax efficient and turnover inside the portfolio is minimal).

In contrast, active management involves a single manager or managers who employ some method, strategy or technique to construct a portfolio that is intended to generate returns that are greater than the broader market or a designated benchmark. Academic research indicates most active managers underperform the market.

Material Risks Involved

SEAMFI does not provide investment management, however investment recommendations may be made as part of the financial planning service. **All investing strategies we offer involve risk and may result in a loss of your original investment which you should be prepared to bear.** Many of these risks apply equally to stocks, bonds, commodities and any other investment or security. Material risks associated with our investment strategies are listed below.

Market Risk: Market risk involves the possibility that an investment's current market value will fall because of a general market decline, reducing the value of the investment regardless of the operational success of the issuer's operations or its financial condition.

Strategy Risk: The Adviser's investment strategies and/or investment techniques may not work as intended.

Small and Medium Cap Company Risk: Securities of companies with small and medium market capitalizations are often more volatile and less liquid than investments in larger companies. Small and medium cap companies may face a greater risk of business failure, which could increase the volatility of the client's portfolio.

Turnover Risk: At times, the strategy may have a portfolio turnover rate that is higher than other strategies. A high portfolio turnover would result in correspondingly greater brokerage commission expenses and may result in the distribution of additional capital gains for tax purposes. These factors may negatively affect the account's performance.

Concentration Risk: Certain investment strategies focus on particular asset-classes, industries, sectors or types of investment. From time to time these strategies may be subject to greater risks of adverse developments in such areas of focus than a strategy that is more broadly diversified across a wider variety of investments.

Interest Rate Risk: Bond (fixed income) prices generally fall when interest rates rise, and the value may fall below par value or the principal investment. The opposite is also generally true: bond prices generally rise when interest rates fall. In general, fixed income securities with longer maturities are more sensitive to these price changes. Most other investments are also sensitive to the level and direction of interest rates.

Legal or Legislative Risk: Legislative changes or Court rulings may impact the value of investments, or the securities' claim on the issuer's assets and finances.

Inflation: Inflation may erode the buying power of your investment portfolio, even if the dollar value of your investments remains the same.

Risks Associated with Securities

Apart from the general risks outlined above which apply to all types of investments, specific securities may have other risks.

Common stocks may go up and down in price quite dramatically, and in the event of an issuer's bankruptcy or restructuring could lose all value. A slower-growth or recessionary economic environment could have an adverse effect on the price of all stocks.

Corporate Bonds are debt securities to borrow money. Generally, issuers pay investors periodic interest and repay the amount borrowed either periodically during the life of the security and/or at maturity. Alternatively, investors can purchase other debt securities, such as zero coupon bonds, which do not pay current interest, but rather are priced at a discount from their face values and their values accrete over time to face value at maturity. The market prices of debt securities fluctuate depending on such factors as interest rates, credit quality, and maturity. In general, market prices of debt securities decline when interest rates rise and increase when interest rates fall. The longer the time to a bond's maturity, the greater its interest rate risk.

Municipal Bonds are debt obligations generally issued to obtain funds for various public purposes, including the construction of public facilities. Municipal bonds pay a lower rate of return than most other types of bonds. However, because of a municipal bond's tax-favored status, investors should compare the relative after-tax return to the after-tax return of other bonds, depending on the investor's tax bracket. Investing in municipal bonds carries the same general risks as investing in bonds in general. Those risks include interest rate risk, reinvestment risk, inflation risk, market risk, call or redemption risk, credit risk, and liquidity and valuation risk.

Exchange Traded Funds prices may vary significantly from the Net Asset Value due to market conditions. Certain Exchange Traded Funds may not track underlying benchmarks as expected. ETFs are also subject to the following risks: (i) an ETF's shares may trade at a market price that is above or below their net asset value; (ii) the ETF may employ an investment strategy that utilizes high leverage ratios; or (iii) trading of an ETF's shares may be halted if the listing exchange's officials deem such action appropriate, the shares are de-listed from the exchange, or the activation of market-wide "circuit breakers" (which are tied to large decreases in stock prices) halts stock trading generally. The Adviser has no control over the risks taken by the underlying funds in which client's invest.

Investment Companies Risk. When a client invests in open-end mutual funds or ETFs, the client indirectly bears its proportionate share of any fees and expenses payable directly by those funds. Therefore, the client will incur higher expenses, many of which may be duplicative. In addition, the client's overall portfolio may be affected by losses of an underlying fund and the level of risk arising from the investment practices of an underlying fund (such as the use of derivatives).

Item 9: Disciplinary Information

Criminal or Civil Actions

SEAMFI and its management have not been involved in any criminal or civil action.

Administrative Enforcement Proceedings

SEAMFI and its management have not been involved in administrative enforcement proceedings.

Self-Regulatory Organization Enforcement Proceedings

SEAMFI and its management have not been involved in legal or disciplinary events that are material to a client's or prospective client's evaluation of SEAMFI or the integrity of its management.

Item 10: Other Financial Industry Activities and Affiliations

Neither MK Lee, nor any SEAMFI management person is registered, or has an application pending to register, as a broker-dealer or a registered representative of a broker-dealer. MK Lee is not licensed as a registered representative of a FINRA Broker/Dealer.

Neither MK Lee, nor any SEAMFI management person is registered, or has an application pending to register, as a futures commission merchant, commodity pool operator or a commodity trading advisor.

Neither MK Lee, nor any SEAMFI management person has any related parties. As a result, we do not have a relationship with any related parties.

MK Lee only receives compensation directly from clients. We do not receive compensation from any outside source. We do not have any conflicts of interest with any outside party.

Item 11: Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

As a fiduciary, our firm and its associates have a duty of utmost good faith to act solely in the best interests of each client. Our clients entrust us with their funds and personal information, which in turn places a high standard on our conduct and integrity. Our fiduciary duty is a core aspect of our Code of Ethics and represents the expected basis of all of our dealings. The firm also adheres to the Code of Ethics and Professional Responsibility adopted by the CFP® Board of Standards Inc., and accepts the obligation not only to comply with the mandates and requirements of all applicable laws and regulations but also to take responsibility to act in an ethical and professionally responsible manner in all professional services and activities.

Code of Ethics Description

This code does not attempt to identify all possible conflicts of interest, and literal compliance with each of its specific provisions will not shield associated persons from liability for personal trading or other conduct that violates a fiduciary duty to advisory clients. A summary of the Code of Ethics' Principles is outlined below.

- Integrity - Associated persons shall offer and provide professional services with integrity.
- Objectivity - Associated persons shall be objective in providing professional services to clients.
- Competence - Associated persons shall provide services to clients competently and maintain the necessary knowledge and skill to continue to do so in those areas in which they are engaged.
- Fairness - Associated persons shall perform professional services in a manner that is fair and reasonable to clients, principals, partners, and employers, and shall disclose conflict(s) of interest in providing such services.
- Confidentiality - Associated persons shall not disclose confidential client information without the specific consent of the client unless in response to proper legal process, or as required by law.
- Professionalism - Associated persons' conduct in all matter shall reflect the credit of the profession.
- Diligence - Associated persons shall act diligently in providing professional services.

We periodically review and amend our Code of Ethics to ensure that it remains current, and we require all firm access persons to attest to their understanding of and adherence to the Code of Ethics at least annually. Our firm will provide a copy of its Code of Ethics to any client or prospective client upon request.

Investment Recommendations Involving a Material Financial Interest and Conflicts of Interest

Neither our firm, its associates or any related person is authorized to recommend to a client or effect a transaction for a client, involving any security in which our firm or a related person has a material financial interest, such as in the capacity as an underwriter, adviser to the issuer, etc.

Advisory Firm Purchase of Same Securities Recommended to Clients and Conflicts of Interest

Our firm and its "related persons" may buy or sell securities similar to, or different from, those we recommend to clients for their accounts. In an effort to reduce or eliminate certain conflicts of interest involving the firm or personal trading, our policy may require that we restrict or prohibit associates' transactions in specific reportable securities transactions. Any exceptions or trading pre-clearance must be approved by the firm principal in advance of the transaction in an account, and we maintain the required personal securities transaction records per regulation.

Trading Securities At/Around the Same Time as Client's Securities

Because our firm does not provide Investment Management services and we do not trade client securities, we do not trade in securities at or around the same time as clients.

Item 12: Brokerage Practices

Factors Used to Select Custodians and/or Broker-Dealers

As a fee only financial planner who does not offer Investment Management Services SEAMFI, LLC. does not have any affiliation with Broker-Dealers, nor do we recommend custodians to clients.

1. Research and Other Soft-Dollar Benefits

We currently do not receive soft dollar benefits.

2. Brokerage for Client Referrals

We receive no referrals from a broker-dealer or third party in exchange for using that broker-dealer or third party.

3. Clients Directing Which Broker/Dealer/Custodian to Use

As a fee only financial planner who does not offer Investment Management Services, we do not have a concern over which broker-dealers a client may choose in order to implement our investment recommendations.

Aggregating (Block) Trading for Multiple Client Accounts

Some Registered Investment Advisers execute client accounts on an aggregated basis as a way to lower expenses. As a fee only financial planner who does not offer Investment Management Services, we do not execute trades on behalf of clients. As a result, it is up to the client to negotiate their own trading costs with their broker-dealer.

Item 13: Review of Accounts

MK Lee, Owner and CCO of SEAMFI, will work with clients to obtain current information regarding their assets and investment holdings and will review this information as part of our financial planning services. SEAMFI does not provide specific reports to clients, other than financial plans.

Item 14: Client Referrals and Other Compensation

We do not receive any economic benefit, directly or indirectly, from any third party for advice rendered to our clients. Nor do we, directly or indirectly, compensate any person who is not advisory personnel for client referrals.

Item 15: Custody

SEAMFI does not accept custody of client funds.

Item 16: Investment Discretion

We do not provide Investment Management Services, and therefore do not exercise discretion.

Item 17: Voting Client Securities

SEAMFI does not provide Investment Management Services and does not vote client securities. Therefore, Clients maintain exclusive responsibility for: (1) voting proxies, and (2) acting on corporate actions pertaining to the Client's investment assets. The Client shall instruct the Client's qualified custodian to forward to the Client copies of all proxies and shareholder communications relating to the Client's investment assets. If the client would like our opinion on a particular proxy vote, they may contact us at the number listed on the cover of this brochure.

In most cases, you will receive proxy materials directly from the account custodian. However, in the event we were to receive any written or electronic proxy materials, we would forward them directly to

you by mail, unless you have authorized our firm to contact you by electronic mail, in which case, we would forward you any electronic solicitation to vote proxies.

Item 18: Financial Information

Registered Investment Advisers are required in this Item to provide you with certain financial information or disclosures about our financial condition. We have no financial commitment that impairs our ability to meet contractual and fiduciary commitments to clients, and we have not been the subject of a bankruptcy proceeding.

We do not have custody of client funds or securities or require or solicit prepayment of more than \$500 in fees per client six months or more in advance.

Item 19: Requirements for State-Registered Advisers

Mee-Kyong “MK” Lee

Born: 1975

- 2007 – Masters of Business Administration, University of Chicago Booth School of Business
- 1999 – Bachelor of Arts, Korea University

Business Experience

- 10/2018 – Present, SEAMFI, LLC., Owner and CCO
- 12/2019 – Present, MK Lee Coaching LLC., Owner
- 08/2015 – 09/2018, Unemployed
- 04/2013 – 08/2015, J.P. Morgan Chase, Private Client Advisor
- 08/2007 - 03/2013, J.P. Morgan Private Bank, Private Banker

Professional Designations, Licensing & Exams

CFP (Certified Financial Planner)®: The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (with flame design) marks (collectively, the “CFP® marks”) are professional

certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 71,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real-world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals. Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:
- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board’s enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Other Business Activities

MK Lee is the owner of MK Lee Coaching LLC. This activity accounts for approximately 25% of her time. MK Lee Coaching LLC provides life coaching and financial literacy education.

Performance-Based Fees

SEAMFI is not compensated by performance-based fees.

Material Disciplinary Disclosures

No management person at SEAMFI, LLC. has ever been involved in an arbitration claim of any kind or been found liable in a civil, self-regulatory organization, or administrative proceeding.

Material Relationships That Management Persons Have With Issuers of Securities

SEAMFI, LLC., nor MK Lee, have any relationship or arrangement with issuers of securities.

Additional Compensation

MK Lee does not receive any economic benefit from any person, company, or organization, in exchange for providing clients advisory services through SEAMFI.

Supervision

MK Lee, as Owner and Chief Compliance Officer of SEAMFI, is responsible for supervision. At this time, MK Lee is the only employee of the firm and maintains a written compliance manual outlining supervisory procedures. MK Lee is responsible for supervising her own activities. This compliance manual is reviewed no less than annually. In the event additional employees are added to the firm, they will attest to having received the compliance manual and participate in annual ongoing compliance training. MK Lee may be contacted at the phone number on this brochure supplement.

Requirements for State Registered Advisers

MK Lee has NOT been involved in an arbitration, civil proceeding, self-regulatory proceeding, administrative proceeding, or a bankruptcy petition.

Conflicts of Interest

Any material conflicts of interest regarding the investment adviser, its representatives or any of its employees are disclosed to the client prior to entering into any Advisory or Financial Planning Agreement.

California Residents Only: Pursuant to California Code of Regulations Section 260.238 (k) any material conflicts of interest regarding the investment adviser, its representatives or any of its employees are disclosed to the client prior to entering into any Advisory or Financial Planning Agreement.

Business Continuity Plan

SEAMFI Financial maintains a written Business Continuity Plan that identifies procedures related to an emergency or significant business disruptions, including the death of the investment adviser or any of its representatives.

Currently, more than 71,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP® Certification Examination. The examination includes case studies and client scenarios designed to test one’s ability to correctly diagnose

financial planning issues and apply one's knowledge of financial planning to real-world circumstances;

- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP Board's Standards of Professional Conduct, a set of documents outlining the ethical and practice standards for CFP® professionals.
- Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:
- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the Code of Ethics and other parts of the Standards of Professional Conduct, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the Standards of Professional Conduct. The Standards prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.
- CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Item 3: Disciplinary Information

No management person at SEAMFI, LLC. has ever been involved in an arbitration claim of any kind or been found liable in a civil, self-regulatory organization, or administrative proceeding.

Item 4: Other Business Activities

MK Lee is the owner of MK Lee Coaching LLC. This activity accounts for approximately 25% of her time. MK Lee Coaching LLC provides life coaching and financial literacy education.

Item 5: Additional Compensation

MK Lee does not receive any economic benefit from any person, company, or organization, in exchange for providing clients advisory services through SEAMFI.

Item 6: Supervision

MK Lee, as Owner and Chief Compliance Officer of SEAMFI, is responsible for supervision. At this time, MK Lee is the only employee of the firm and maintains a written compliance manual outlining supervisory procedures. MK Lee is responsible for supervising her own activities. This compliance manual is reviewed no less than annually. In the event additional employees are added to the firm, they

will attest to having received the compliance manual and participate in annual ongoing compliance training. MK Lee may be contacted at the phone number on this brochure supplement.

Item 7: Requirements for State Registered Advisers

MK Lee has NOT been involved in an arbitration, civil proceeding, self-regulatory proceeding, administrative proceeding, or a bankruptcy petition.
